Lovers of legitimate drama will enjoy this presentation and regular patrons should relish the chance. Secure your tickets now at Ray's.

A resolution introduced in the House at Frankfort Wednesday by Representative Wilt of Fleming county calls attention to the fact that during the fiscal year ending June 30th, 1905, there were issued in Kentucky 2,382 licenses for selling liquor in the state, and that during the same period there were issued by the Federal Government 1,964 more licenses for selling liquors than by the state, thereby depriving the state of revenue amounting to \$150,000. The resolution calls the attention of the Auditor to the facts and recommends that such action be taken as may be legal and proper for the collection of this revenue.

## SOCIAL EVENTS

Mrs. George L. Cox and Miss Cox gave a charming tea yesterday complimentary to their guest, Mrs. Thomas H. Paynter. Their handsome home, the scene of so much hospitality, was thronged between the hours of 2 and 4 and the delightful informality of the occasion assured the pleasure of the guests.

Mrs. Paynter's cordial manner won friends immediately and it is hoped this visit is a happy herald of others. Senator Paynter joined the ladies before the close of the afternoon and by his genial presence attributed much to the occasion.

Mrs. Albert, Mrs. George Barbour and Miss Mary Alter Barbour assisted at the tea table.

There were sounds of revelry by night, and all Belgium's capital were there.

The reception accorded Senator-elect and Mrs. Thomas H. Paynter by Maysville Commandery No. 10, K. T., last evening was an unqualified success.

All the elements necessary to the success of such a function were in evidence.

At 8:30 o'clock the doors of the Asylum were thrown open and the reception was on.

Just to the right of the entrance in a semi-circle stood the Reception Committee in the following order: Rev. F. W. Harrop, Sir Knight Robinson, Senator-elect and Mrs. Paynter, Sir Knight and Mrs. Thomas A. Keith, Senator and Mrs. William H. Cox, Major and Mrs. Thomas J. Chenoweth, Sir Knight and Mrs. S. P. Browning, Sir Knight and Mrs. R. B. Owens, Sir Knight and Mrs. J. D. Dye, Sir Knight and Mrs. John C. Everett, Sir Knight and Mrs. John L. Winter and Sir Knight and Mrs. James W. Fitzgerald.

The Sir Knights were garbed in the full regalia of the Order, lacking the chapeau, and the ladies of the reception line were gowned as given below.

Sir Knight Eugene A. Robinson introduced the guests of honor in his usual graceful manner, and it was certainly a brave heart that "ran the gauntlet" of barbed wit without quaking.

It was ten o'clock before the reception line was broken. In the interim, however, Webster's Orchestra of Cincinnati was dispensing strains from Tannhauser and other operas, thereby making the picture one of beauty, life and color.

Soon the tempting strains of a dreamy waltz were floating through the air and feet that could no longer be restrained were at once in motion, and not until 1 o'clock did the dancing cease.

Cases fatigued by the dance found refreshment at the punch bowl in the Blue Room, presided over by Mrs. Lewis M. McCarthy and her charming aides, Miss Sarah Ball and Miss Sarah Whitaker.

Long will the pleasure of the evening remain in the mind of those who were fortunate enough to receive an invitation.

The ladies present were costumed as follows: Mrs. Thomas H. Paynter, the guest of honor, was very becomingly gowned in Dresden silk, point lace and diamonds, and carried a shower bouquet.

Mrs. Robert B. Owens, Persian lawn; pearls.

Mrs. Thomas A. Keith, Persian net, point lace; diamonds.

### EDITORS' MEETING

#### Ninth District Boys in Session Yesterday in This City

At the solicitation of Colonel James M. Allen of The Cynthiana Democrat, a meeting of the Newspapermen of the Ninth Congressional District was held yesterday forenoon at the New Central.

The purpose was for the organization of a Ninth District League, and co-operation for the elevation and betterment of newspaper conditions.

A temporary organization was effected by the choice of Colonel Allen for President and John W. Powling Secretary.

After a general interchange of ideas, the meeting adjourned until Saturday, March 10th, at 10 a. m., at which time another will be held at the New Central in this city when it is hoped a permanent organization will result.

Those present were—J. M. Allen, Cynthiana; John W. Powling, Dr. N. H. McNew and S. W. Keller, Carlisle; J. Elgin Anderson, Dover; T. H. Bell, Germantown; William Wilt, Flemingsburg; J. D. Wyatt, Ewing; Blackberry and Thompson, Brooksville; A. D. Miller, Richmond; R. R. Perry, Winchester; Thomas A. Davis and John J. Altmeyer, Maysville, with J. C. Newcomb of Ripley, O., as a visitor.

ALL forms of transportation except the regular two-cent rate provided by law will be cut off by the railroads in Ohio. This decision was reached at a conference in Chicago of passenger representatives of all railroads with lines in that state. It was agreed that by eliminating everything except two-cent fares the roads could in a measure recompense themselves for the loss caused by the new rate law. The action contemplated will deprive Ohioans of all reduced transportation for conventions, of the 1,000-mile books, of all charity business and of all round-trip rates and clergymen's rates.

### MOTHERS OF MAYSVILLE

#### Are Your Children Thin, Puny and Ailing? If So Read This.

Vinol will make children strong, robust and rosy or we return your money.

Is there a mother in Maysville who will ignore such a generous offer as this? You risk not one cent. We pay for all the Vinol your child takes if it does no good.

There are plenty of children all around us who are thin, puny, ailing and tired all the time. Don't want to do this, and don't want to do that. Do not blame the children; they have no strength, no blood, no vitality; rapid growth takes all their strength.

Vinol is just what your child needs. It is a delicious cod liver oil preparation, and children love it. It creates strength, makes rich, red blood and vitality as nothing else can, and after a severe sickness there is nothing that will build your child up like Vinol.

The following letter is only one of hundreds which we have received from mothers telling what Vinol has done for their children.

Mrs. E. M. Oswalt of Mansfield, Ohio, writes: "My little daughter became so poorly that I was obliged to take her from school. She was thin, no appetite, tired all the time and weak. We had tried several medicines without benefit. Since taking Vinol, however, she is as well as ever; she has gained in flesh, has rosy cheeks and good appetite and is going to school every day."

We want to say to every mother in Maysville that Vinol will build your little ones up into strong, robust, healthy children. We have never sold anything equal to it in our store for this purpose, and we will return your money if it fails. John C. Peck, Druggist.

## WASHINGTON PERSONALS

WASHINGTON, February 19th, 1906.

**Editor Ledger:** Hon. R. R. Perry, Editor of The Winchester Sun-Sentinel and Postmaster of the "Busy City," was here last week. He left Saturday night over the C. and O. for home with the assurance he would be the next Postmaster of his city, being one of the "hold overs." He informed friends while here he expected to start a Daily Sun in the near future. Mr. Perry is not only one of the best newspaper men in Ken-

### How Kentuckians Are Talked About in the Nation's Capital

tucky but he has a fine rating in the Department as to efficiency in the Government service. His friends here wish him success and trust to

see Winchester wake up one of these bright mornings with a live daily paper.

Hon. John C. Wood, Editor of The Mt. Sterling Gazette, ex-Postmaster and ex-Railroad Commissioner, with Ben W. Hall, Postmaster at Mt. Sterling, was here for a few days last week in the interest of Mr. Hall's retention as Postmaster. They left with a broad smile, full of confidence. Teddy had made the way clear for them, and there is no doubt as to who will

fill the place. Mr. Hall has made an ideal servant for the people, and your correspondent in conversation with a Postoffice official here learned that his office was 'way up in the list of well-kept, good rating class of officers.

Hon. "Tut" Burnam of Richmond will be an applicant for Mr. Wallace's place as Postmaster of Richmond. Mr. Burnam is strongly indorsed, and while the appointment is two years off, the Eighth District Colony here seem to think that Burnam will land. Mr. Wallace has made a first-class official, but it is claimed that the people want a change, and if this is the case it may be that it will take a "dark horse" to best the pull that Burnam has already laid before the Department.

Affairs in the Government Printing Office are somewhat torn up. The new Public Printer has issued a great many new orders, in fact, more "general orders" than Sherman or Grant either issued during their entire service for their country's cause. But it is thought that there will be few, if any, changes. The bindery men suffer, but the compositors have all the work they can do, and when Congress adjourns there will be lots of work and things will settle down to their normal stage.

There has been a great deal written about President Lincoln, and all Kentuckians love his memory, but few know that his coachman is still living and well and hearty. His name is Hawkins, and he is of the old Virginia stock of darkies, polite and accommodating. He is at present holding down a minor place in the Government Printing Office. He has driven every President from Lincoln down to McKinley, and has many pleasant stories he relates of the "doings" of "bygone days" at the White House. Few of his race are better posted and he is a constant reader. There is nothing escapes him,

and he says he loved Mr. Lincoln for he was so kind to him. In fact, he always looks up a Kentuckian to say something good about the President whom the whole Nation loved, honored and obeyed.

The question of a change in the Pension Agency at the end of Colonel Wood's term has taken a queer change, and on all sides you hear words of good cheer for Colonel Tom Davis, the soldier boy of Mason. His bright editorial work and his faithful party service, coupled with his fearless pen in defense of right, has won for him friends that are now willing to see to it that he is recognized. Colonel Wood has made a splendid Pension Agent, but the old soldiers have sent out the alarm and "at taps" when the bugle blasts for Mr. Wood's retirement, Colonel Davis will answer to rollcall and be marked present for service in Uncle Sam's political vineyard.

The name of Hon. William H. Cox "sounds good" to those who know his worth to the party. Nothing would give the writer more pleasure than to vote for Mason's gifted son for Governor. The Kentucky colony here will return in a body to show by their acts that with Senator Cox in the saddle, they believe they can win the race, and redeem the Bluegrass State from Beckham, Haley, Hager and Chinn Rule. Here's to you, Senator, hoping you will enter the race. W. F. S.

The first five locks on the Kentucky river were built as far back as 1845.  
The present stage of the water is most satisfactory for operators of boats from Catlettsburg down.  
The Greenwood has been put back in the Cincinnati-Pomeroy trade, making three boats now running between the two points.  
The Cincinnati harbor is again clear of tow-boats. All of them which were there during the ice siege have gone above with empties.

The Pittsburgh and Cincinnati packet line wharves sank at Pittsburgh a few days ago.

The rainfall has not been sufficient in the upper valley to permit the resumption of navigation around Pittsburgh.

The Sprague, Finley, O'Neil and John A. Wood—four of the largest towboats on the Ohio—are above Cairo coming up with tows of empties.

### HOSPITALS CROWDED

#### MAJORITY OF PATIENTS WOMEN

Mrs. Pinkham's Advice Saves Many From this Sad and Costly Experience.

It is a sad but certain fact that every year brings an increase in the number of operations performed upon women in our hospitals. More than three-fourths of the patients lying on those snow-white beds are women and girls who are awaiting or recovering from operations made necessary by neglect.

Every one of these patients had plenty of warning in that bearing down feeling, pain at the left or right of the abdomen, nervous exhaustion, pain in the small of the back, pelvic catarrh, dizziness, flatulency, displacements or irregularities. All of these symptoms are indications of an unhealthy condition of the female organs, and if not heeded the trouble may make headway until the penalty has to be paid by a dangerous operation, and a lifetime of impaired usefulness at best, while in many cases the results are fatal.

Miss Luella Adams, of Seattle, Wash., writes:

Dear Mrs. Pinkham:—  
"About two years ago I was a great sufferer from a severe female trouble, pains and headaches. The doctor prescribed for me and finally told me that I had a tumor and must undergo an operation if I wanted to get well. I felt that this was my death warrant, but I spent hundreds of dollars for medical help, but the tumor kept growing. Fortunately I corresponded with an aunt in the New England States, and she advised me to take Lydia E. Pinkham's Vegetable Compound, as it was said to cure tumors. I did so and immediately began to improve in health, and I was entirely cured, the tumor disappearing entirely, without an operation. I wish every suffering woman would try this great preparation."

Just as surely as Miss Adams was cured of the troubles enumerated in her letter, just so surely will Lydia E. Pinkham's Vegetable Compound cure other women who suffer from female troubles, inflammation, kidney troubles, nervous excitability or nervous prostration.

Mrs. Pinkham invites all young women who are ill to write her for free advice. She is daughter-in-law of Lydia E. Pinkham and for twenty-five years has been advising sick women free of charge. Address, Lynn, Mass.

This head is what takes time and costs skill and costs money in making a cigar. And it's all waste, you have to clip it off and throw it away before you can light the cigar.

Ask for Old Virginia Cheroots and this is what you get for your 5 cents—3 good, clean, 5-cent smokes; for a cheroot is only a cigar made without the head.

## OLD VIRGINIA CHEROOTS

Package of 3 for 5 Cents

Old Virginia Cheroots are rolled from the smaller leaves of the same tobacco used in good 5-cent cigars. But they are not only good,—they are clean. Made in the biggest, airiest and cleanest cigar-factory in the world—a million of them every day.

A package of 3 Old Virginia Cheroots for 5 cents is the best money's worth in the whole store.

The Tobacco Fair!

The Weather Man for one time at least fa-  
vored the promoters of the Maysville Tobacco  
Fair, for yesterday was an ideal day for the  
midwinter event which has brought the city into  
so much prominence in late years.

It was one time when all roads led to May-  
sville. By the ever ready horse-and-buggy route,  
the automobiles, steamers and railways the  
people came, and, once here, were given the  
best at the city's command.

The need of the excellent service now in op-  
eration on this division of the L. and N. was  
never better demonstrated than yesterday, when  
each incoming train brought big delegations to  
the Fair. Perhaps the larger part of the vis-  
itors came in over this line alone.

At an early hour it was evident that there  
would be a crowd here, and the entertainment  
of the strangers began at once.

Outen's Band was soon augmented by the  
arrival of Storm's Band of Lexington, and there  
was music aplenty.

The afternoon exercises began promptly at  
1:15 and were opened by an invocation by Rev.  
F. K. Struve of the M. E. Church, South, whose  
supplication to the Throne of Grace was in-  
clined to move the hearts of the large gather-  
ing.

When John Duley, President of the Board of  
Trade and moving spirit in the Tobacco Fair,  
stepped forward to deliver the address of wel-  
come he was greeted with a sea of upturned  
faces—the brows and brain of the land.

The heart-felt and warm greeting extended  
by President Duley touched a responsive chord  
in the hearts of his audience, if one may judge  
by the applause that greeted his timely and  
appropriate remarks.

Following President Duley came Rev. F. W.  
Harrop with an address, the subject matter of  
which was "Looking Pleasant."

Now the Parson is pretty well known here-  
abouts, and if anybody ever saw him other than  
in a pleasant mood, it has never been a subject  
of complaint. He was solemn and witty and at  
all times entertaining.

State Senator W. H. Cox's introduction of  
United States Senator Thomas H. Paynter—the  
undefeated—was catchy and taking, especially  
his poetical effusion on John Duley.

In the absence of D. H. Gayle, President of  
the Cincinnati Tobacco Warehouse Company,  
Mr. William Dohrman handled the subject of

To the citizens of Maysville and the White  
Burley Tobacco District, and especially to the  
newspapers of Maysville and a very large sec-  
tion of Kentucky and Ohio, the Board of Trade  
wishes to return thanks for the hearty support  
received in making the Seventh Annual Tobacco  
Fair a grand success, which it has proven to  
be. This shows what can be done by a concert  
of action. The large crowds which were pres-  
ent yesterday is a positive proof that judicious  
advertising, and a conscientious desire to make  
good the promises made in same, will bring the  
desired results.

Thanking everybody for their co-operation,  
I remain very truly yours, BOARD OF TRADE,

**APPLICATION OF  
CUTICURA REMEDIES**

"I am never without Cuticura Soap  
and Cuticura Ointment since I tried  
them last summer. About the latter  
part of July my whole body began to  
itch. I did not take much notice of it  
at first, but it began to get worse all the  
time, and then I began to get uneasy  
and tried all kinds of baths and other  
remedies that were recommended for  
skin humors, but I became worse all the  
time. My hair began to fall out and my  
scalp itched all the time. Especially at  
night, just as soon as I would get  
in bed and get warm, my whole body  
would begin to itch and my finger nails  
would keep it irritated, and it was not  
long before I could not rest night or day.  
A friend asked me to try the Cuticura  
Remedies, and I did, and the first applica-  
tion helped me wonderfully. For about  
four weeks I would take a hot bath  
every night and then apply the Cuticura  
Ointment to my whole body; and by the  
time I used four boxes of Cuticura I was  
entirely cured, and my hair stopped  
falling out, but I continue to use the  
Cuticura on my scalp. It keeps all dan-  
druft out and scalp is always clean. I  
always use Cuticura Ointment on my  
face after shaving, and have found  
nothing to equal it. I will never be  
without it." D. E. Blankenship,

**RECOMMENDED TO ALL MOTHERS**

"I have used Cuticura Ointment for  
chafing of infants, and as they grew  
older all skin diseases were given treat-  
ment with that and the Cuticura Soap.  
I never found it necessary to call a doc-  
tor, as these Remedies are a sure cure,  
if used as directed. I am glad to recom-  
mend them to all mothers." Sincerely  
yours, Mrs. F. A. Kennard,

**DEEDS, NOT WORDS.**

**Maysville People Have Absolute Proof  
of Deeds at Home**

It's not words, but deeds, that prove true  
merit.

The deeds of Doan's Kidney Pills,  
For Maysville kidney sufferers,  
Have made their local reputation.

Proof lies in the testimony of Maysville people  
who have been cured to stay cured.

John Wallingford, living at the corner of  
Commerce and East Second streets, Maysville,  
Ky., says:

"I first procured Doan's Kidney Pills in 1899  
at J. James Wood & Son's Drugstore, and they  
stopped an attack of backache, one of many  
which had annoyed me for some time. My wife  
at that time gave for publication in our local  
papers a statement telling of the great benefit  
I had derived from Doan's Kidney Pills, and now,  
some five years later, I can say that the cure  
then effected has been complete and permanent.  
My back and kidneys have never given me the  
least cause for complaint. Mrs. Wallingford  
also appreciated the value of Doan's Kidney  
Pills from personal experience with them. She  
suffered most acutely with backache, especially  
at night, and Doan's Kidney Pills promptly and  
thoroughly cured her."

For sale by all dealers. Price 50 cents a box.  
Foster-Milburn Co., Buffalo, N. Y., sole agents  
for the United States.

Remember the name—Doan's—and take no  
substitute.
